

One of such plates or markers shall be displayed conspicuously on the front and the other on the rear of such motor vehicle, both to be fastened so as not to swing. Every motorcycle or bicycle with motor attachment, while being used or operated in this State, shall have displayed on the rear thereof a plate or marker furnished by the Commissioner of Motor Vehicles as aforesaid, said plate or marker to be so fastened as to be entirely unobscured and to be kept reasonably clean and fastened so as not to swing.

No motor vehicle while used or operated in this State shall have displayed upon either the front or the rear of such vehicle more than two plates or markers, or any expired plate or marker issued by any State or Federal District, nor shall any person display or permit to be displayed upon any motor vehicle operated in this State the registration number issued to another vehicle or person other than the owner thereof, or a fictitious number plate or marker, provided, however, in the event of the sale of a motor vehicle, the purchaser may, for a period of five days, and no longer, operate such motor vehicle under the number assigned to it and shall have and display on the demand of any proper officer the actual consent in writing of such previous owner to use such number; and provided also that where it clearly appears that the registration number has been lost by accident, and application has been made for a duplicate within twenty-four hours thereafter, no penalty shall be imposed.

No person shall display any registration marker for which a duplicate or substitute has been issued.

Any person violating any provision of this section shall be deemed guilty of a misdemeanor, and upon conviction, subject to a fine of not less than ten dollars (\$10.00) nor more than one hundred dollars (\$100.00) for the first offense.

**194.** (1) (Brakes.) Every motor vehicle, except trailers and sidecars, while in use on the public highways of this State, shall be provided with adequate brakes.

(2) (Horns.) Every such motor vehicle shall be equipped with a suitable bell, horn or other signaling device producing an abrupt sound sufficiently loud to serve as an adequate warning of danger, but no person operating any motor vehicle shall make or cause to be made any unnecessary noise with such bell, horn or signaling device, or use the same except as a warning of danger, and such signaling device shall not be sounded while passing a horse or other animal in the open country. Within the limits of cities, towns and villages, loud sounding signaling devices shall not be used during the period from one hour after sunset to one hour before sunrise, unless absolutely necessary to avoid accidents. An adequate signaling device shall in all cases be sounded on approaching curves, tops of hills and intersecting highways in the open country where the operator's view is obstructed.

(2A) (Mirrors.) Every commercial motor vehicle not equipped with pneumatic tires, and every commercial motor vehicle so constructed or loaded that the operator is prevented from having a free and unobstructed view of the highway immediately to the rear and at the sides of the same,
